Age Policy for Uniteens and Y.O.U.

The SCUCA Regional Policy for Uniteens and Youth of Unity to attend a SCUCA Regional Retreat is:

Uniteens: In order to attend a regional Uniteen retreat, Uniteens must be in grades 6, 7, 8 or equivalent, with a minimum age of 11 and a maximum age of 14.

Youth of Unity: In order to attend a regional YOU retreat, YOUer's must be in grades 9, 10, 11, 12 or equivalent, with a minimum age of 14 and a maximum age of 19; or, if no longer in high school, a maximum age of 18.

Attendance Policy for Uniteens and Y.O.U.

The SCUCA Regional Policy regarding class time hours needed in order to be eligible and spiritually prepared to attend Uniteen and Youth of Unity SCUCA Regional Event are:

Uniteens: In order to attend a regional Uniteen retreat, Uniteens must have attended at least 6 Uniteen Sunday lessons in the 3 months preceding registration. No exceptions.

Youth of Unity: In order to attend a regional YOU event, YOUer's must have attended at least 6 YOU Sunday lessons least in the 3 months preceding registration. No exceptions.

All participants must be able to honor heart agreements, function in a group setting and MUST attend the entire weekend from check-in thru Closing Ceremony. Youth with special challenges requiring close, personal adult supervision should be accompanied by a parent or familiar adult who will not be responsible for the rest of the group.

Uniteens moving into Y.O.U.

The first Rally that new incoming YOUer's are eligible to attend following their graduation from 8th grade is the Fall Rally.

The intent is for Uniteens to move into the YOU class over the summer and get used to the high school program which is significantly different from Uniteens. Fall Rally is geared to new freshmen and is only three days long as opposed to attending a four or five day event with a lot of focus on graduating seniors. Although there are sometimes first-time attendees at Bi-Regi, they are students who have completed 9th grade and for whatever reason either were not involved in YOU, or were unable to attend Fall or Winter Rally of their freshman year.

We will be delighted to accept these new ninth graders AFTER they begin ninth grade and the current seniors have graduated. The difference between the lives of an 9th and a 12th grader, no matter how mature a graduating 9th grader may be is tremendous, much less between an 8th and a 12th grader.

Overnight Participation for Uniteens to attend a Unitreat:

Currently no policy exists. Although it is highly recommended that each Uniteen group provide an overnight opportunity for the youth to spend time getting to know one another and practicing being a group prior to attending a full length weekend Uniteen Retreat away from church and home.

Service Hour Policy for Uniteens:

Currently no policy exists. Although it is highly recommended that each Uniteen group provides service in their local church and community.

Service Hour Policy for Y.O.U.

The SCUCA Regional Policy for Youth of Unity to attend a SCUCA Regional Event is:

To attend **Fall Event** = a minimum of 10 service hours.

To attend **Winter Event** = a minimum of 20 service hours.

To attend **Summer Bi Regional Event** = a minimum of 30 service hours.

Note these hours are cumulative, not individual. The service hour requirement follows the school year calendar and will return to zero following the Summer Bi Regional event.

SCUCA Guidelines for Hosting a Sub-Regional Event

Definition:

A Sub-Regional event is any event in which a church invites two or more other churches in their sub-region to attend their event. A Sub-Region is defined as 200 miles radius or a 3 hour drive time from the event location. The South Central Region includes the following states: **Arkansas, Colorado, Iowa, Kansas, Louisiana, Missouri, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, Texas and Wyoming.**

Purpose:

The purpose for hosting a Sub-Regional event is to provide spiritual, social, service, and skill learning opportunities for your church's youth and other Unity church's youth in your area. It is also an opportunity for the host Church to develop stronger youth leadership skills. A Sub-Regional event can be thought of as a service project, which benefits the Unity church's youth that attend and SCUCA as a whole. (Y.O.U. chapters who host a Sub-Regional event may earn a maximum of 60 chapter service hours for doing so.)

Regional Guidelines:

1. All Sub-Regional events are to be discussed with and approved in writing by both the host Minister and the appropriate Regional Consultant prior to inviting other churches or making any commitments to facilities or resource persons. Written approval is obtained by completing the SCUCA Minister/Ministry Approval Agreement form and the SCUCA Event Notification form.
2. Please provide the SCUCA Sub-Regional Event Notification and the SCUCA Ministry/Minister Approval Agreement as soon as possible, so Consultant may provide registration forms, permission slips and medical/liability forms in a timely manner (templates are available from your Regional Consultant).
3. If any fees are charged for the Sub-Regional event (including dances), any profit will be submitted or deposited into the Regional Treasury (in one check payable to SCUCA). This allows a Sub-Regional event to serve everyone in the region. A financial statement should be submitted within one month of the event including all income and expenses.
Please note that profit generated from any Sub-Regional event will be returned to the regional treasury. The regional treasury intends to give a 30% of net proceeds love offering to the host Church's program. The remaining funds will go to future events to benefit all of SCUCA.
4. All attending churches must be transported by and have present at the event a Leader, Sponsor or church-approved chaperone (minimum of twenty-five years of age). Junior Sponsor's are invited, provided they are twenty-three years of age, are approved by the Minister, and are attending with the lead Uniteen Leader or lead Y.O.U. Sponsor. Criminal backgrounds checks must on file at the church for all adults attending.
5. Adult Church Representatives must carry an original medical/liability release form for each participant.
6. Close communication with the appropriate Regional Consultant is to be maintained throughout the planning process and any exceptions must be preapproved. Regular meetings must be scheduled to plan and review plans with your Church contact. It is encouraged to maintain clear communication lines with your Minister, YFM Director, or other Minister-approved contact during the planning and execution of the event.

NOTE: Any exceptions to any SCUCA Regional Policy must be approved through the Regional Consultant in Charge and discussed with the Education Liaison on the SCUCA Board by the Regional Consultant. Please check the website for updates on policies. www.scucaregion.com
